[] and I met with []
[] on 3 January. The gist appears to be:

1. No doubt DCID 1/19 was inadequately coordinated.

2. OD&E will continue to provide controls to its SCI material beyond the minimum requirements of DCID 1/19 (Points A, B and C).

3. OD&E is and must remain in violation of Section 2j(2) regarding use of commercial aircraft by OD&E couriers. A modification of the DCID must be sought. The question is: when? Perhaps this can await the resolution of the [] study.
